*After being arrested and detained in Cook County Jail for Case No. 2014CR175440 (from 2014-2015), my lawyer put in a Motion to Suppress the Evidence and Quash Arrest in late 2015; which was heard in The Circuit Court of Cook County in front of the Judge Burns in Room 202. The Defendant, Officer Corona, was cross examined when the motion was heard and gave a false testimony (perjured testimony) when facts of the case (and arrest report) were changed/made up in his testimony. I was ~~detained~~ after routine traffic stop was made and driver was arrested for no driver's licence. Later, after driver and I was brought to Police Station, a firearm was found in vehicle. The weapon is what I was charged with the day of the arrest (along with drugs). The day the Motion was heard, Officer Corona said that I was "arrested for having the gun (UW)" when we were stopped the day of the arrest, but then during

his cross examination, my lawyer proved that the weapon was found later at the station and recovered at station from vehicle. This was on the record. The Judge granted the motion and the case was nolle proseq. On October 27, 2015 the Judge Burns released me from Cook County Jail after sitting for 15 months. Upon information and belief Officer Corona made up info and held back evidence to taint fair and impartial trial promised by our U.S. Constitution; which inflicted over a year of emotional distress, loss of wages and mental anguish. I lost time that I can never get back.
